

clean-up day

SPRING GLEN SCHOOL

Saturday, September 29 10:00am - 2:00pm

Let's make Spring Glen Sparkle! We are having a big campus clean-up day. Our goal is 75 volunteers to get everything accomplished. Please bring gloves, outdoor tools, lawn/leaf bags and trash bags.

We will be weeding, mulching, planting, watering, hauling, trimming, cleaning and enjoying a special environmental lesson from our own SPG parent nature expert. There will be water and snacks throughout the day.

Nature Walk with Mark Bradford Soil & Ecosystem Scientist at Yale

12:00-1:00pm

many hands make light work. grab your gloves.
