

# The PTA Student Idea Campaign!

## Calling all Students! The PTA wants to hear from you!

Do you know what we do as a PTA? *Enriching Education. Building Community.* That means as parents and teachers we come together to enhance your learning experience and bring us together as a community in fun and creative ways. There are many ways we try to do these things. Such as the Bookfair, Assemblies, Author Visits, Art Day, Field Day, Nature Day and lots of other ways too.

However, you know best what kind of things you want to do, what people you want to learn from, or what you need to enhance your school experience. So, let us know.

The PTA has put aside a modest amount of money in this year's budget to use for student directed ideas. Therefore, we are encouraging all students to send us a letter to persuade, or convince, us to implement your idea using your reasons and examples.

There are no rules or requirements, but keep in mind that it is for Spring Glen School and should be related to education or our community.

What you should know is that we can't do every idea. There are many factors that will affect which idea or ideas that we do, including cost, scheduling, approvals, possibly even laws. In other words, you all have good ideas, but there might be something that prevents us from being able to do it in the coming months.

Submissions must be in a letter format and should be put in the collection box in the entryway by Friday, February 17<sup>th</sup>. Students can submit a letter individually, as a group, or as a class. Please include your name(s), grade(s), and teacher(s). An idea planner is included on the back of this letter to help get your thoughts together for your letter.

Ideas will be narrowed down by what we think we can do as a PTA and what the teachers agree would benefit the school. Students whose suggestions are selected will be asked to make a video to be viewed or to read their letter at the March PTA Membership Meeting and membership will vote to approve request(s).

We can't wait to hear from you,

*The Spring Glen PTA Board*
